

Understanding iPURE

Logo & Other Elements

Meaning of the Logo

Meaning of the Elements

Unlike Local competition - we filter with a lot of care - which is indicated in our preventive maintenance schedule and quality procedures

Meaning of the Elements

Weekly Tested

We ensure that the product water is weekly tested through the TDS meters and microbial kits - hence giving more assured qualitative water

Meaning of the Elements

In the process of purifying our water –
we add no external chemicals –
Our water is just not pure but it is
chemical free

Meaning of the Elements

Because of the *ATW* -we can ensure that we have a *24X7* water delivery - which is very convenient to our users - since they can take water whenever they want

Meaning of the Elements

We offer other benefits like - water delivery at your doorstep

Chilled Water in summers
